ABOUT MBB

- Wholesale Only**
Other bidders in a retail environment could have factors like brand sensitivity or product overload negatively impact the bid. But because we're wholesale only, these factors are never an issue with Motorcycle Buy Bid.
- 24/7 Service**
Don't waste your hours on "maybe bids" and negative equity trade-ins. Motorcycle Buy Bids are available anytime, 24/7, you will receive a reliable bid while the salesperson is working with the customer in the closing booth.
- Pricing**
Similar to auto auctions, our bids are computer driven by national motorcycle/atv data (updated daily). Objective computer bids are based on the wholesale price at the time of the bid.
- Any Make or Model**
Motorcycle Buy Bid offers bids for ALL makes and models of motorcycles and ATVs.
